NOTES AND ORDERS.

1 The dates on which the Conference is proposed to be held are selected with a view to enable the Registrar to attend the Simla Conference which will be held from the 16th to 18th October next.

2 The usual assistance which the Regist

points from the Officers referred to is as follows:—

(1) The Special Duty Officer:— Accommodation to the Delegates.

(2) His President, Hyderabad City Municipality:— The use of the Ranga Charlu Memorial Hall for holding the conference.

" Superintendent, Govt Press:— Printing of programmes, invitations &c &c

" Huzur Secretary:— Procuring invitations to Palace Durbars for Suivalte delegates & members of Societies.

In regard to all these matters the Registrar was requested last year to place himself in communication with the Officers concerned. The same procedure may perhaps be adopted this time also.

3 For expenses in connection with the first Provincial Conference the Agricultural Committee of the Economic Conference granted Rs 300/-, and for the second conference they gave Rs 500/-. Nothing is mentioned in the letter under disposal as to what they are going to contribute this year or as to how the expenses are to be met. The Registrar has not however, asked for any money grant.

The holding of the conference has

The Registrar wants accommodation for his guests till the 9th October for reasons explained in para 2 of his letter; but the Special Duty Officer says that he can spare the School building for only 6 days—from the 1st to 6th October, as thereafter the building will be required for accommodating the members of the Representative Assembly.

14 The Durbar for the Representative Assembly Members falls on Asvija Sudha Dwadasi i.e. the 11th day of the Dasara Durbar. This year the Representative Assembly also opens on that day. The Representative Assembly Members begin to arrive at Mysore from so early as Aswija Sudha Thritheya, i.e. the 3rd day o the Durbar. As per figures of last year the number of arrivals of Representative Assembly Members up to the Saptami i.e. th 7th day - was 78, nearly 30 per cent of th total attendance. It will thus be seen th the latest date itself, i.e. 6th October (Saptami) on which the Registrar of Co-operative was asked to vacate the Marimallappa's High School in my letter of the 24 Instant, will in a way inconvenience the Members that will have arrived before that date. On the other hand the Registrar of Co-operative Societies desires the occupation of the Marimallappa's High School til the 9th October, i.e. Vijaya Dasami. The attendance last year, of Representative Assembly Members up to Vijaya Dasami was 201 against a total attendance of 252 members and as such it will not be possible to plac the Marimallappa's High School so long at his disposal. It would be even convenient if the Registrar of Co-operative Societies can make his own arrangements for the accommodation of his delegates.

Sir,

I have the honor to state that at the Second Provincial Co-operative Conference held in Mysore during the last Dassara in October 1912 it was resolved that the Third Co-operative Conference should be held at Mysore during the Dassara season of 1913.

About 320 leading gentlemen from different parts of the State attended the Second Conference and took an active part in its proceedings. The Conference is believed to have been a distinct success.

2 The two Provincial Conferences have roused the people to a new spirit of enquiry on Co-operative matters, made the movement popular and have contributed to its rapid expansion in the State. In pursuance of the resolution of the Second Conference, I propose holding the Third Co: ference at Mysore in the Rangacharlu Memorial Hall on th

4th, 5th and 6th October 1913. A copy of the Circular - issued to the 369 existing Co-operative Societies, about the holding of the Conference is sent herewith for information. These dates have been selected with a view to enable me to attend the Registrar's Conference to be held at Simla on the 16th October. I request you will kindly obtain the approval of the Government for holding the Conference on the above dates.

3. As usual, I would require the assistance of (1)the Special-duty Officer in charge of Dassara arrangements for providing accommodation at Mysore to the delegates (2) the President, Mysore City Municipality, for fitting up the Rangacharlu Memorial Hall ~~and~~ (3) the Superintendent, - Government Press, for printing invitations, notes on subjects and programmes etc., & (4) the Huzur Secretary for procuring invitation to the Palace Durbars for such delegates and members of the Conference as are recommended by the Registrar. I request the Government may kindly ask the several officers to give me the necessary assistance.

OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE.

Circular No. 203—C. S. 105 *of* 13-14, *dated* 11*th August* 1913.

At the last Conference of Co-operative Societies held in Mysore in October 1912, it was resolved that the Third Provincial Conference should meet at Mysore during the Dasara Season of 1913. In accordance with this resolution, the next Conference will be held at Mysore about the 4th October.

2. The selection of delegates to the Conference may be made as follows :—

One delegate for a society with a membership up to 100.			
Two delegates...	...	...	... 300.
Three delegates	...	...	above 300.

3. It is generally expected that public-spirited gentlemen will offer to become delegates and represent societies at their own expense. But where this is impracticable, the societies with small capital may pay to the delegates double third class fare for both the journeys and actual cart-hire incurred by them for reaching the railway station. A daily batta of twelve annas per diem for a period of five days may also be paid. The bigger societies with large resources may vote return first or second class railway fare to the delegates from the nearest railway station to Mysore and back.

4. There is no objection to societies sending a few other members in addition to delegates as visitors at their own expense. The visitors will be permitted to attend the Conference and speak on the subjects under discussion but will not be entitled to vote.

5. A Reception Committee will be formed at Mysore to see to the convenience of the delegates and visitors. Housing accommodation will be provided free. Such of the delegates and visitors as require messing arrangements will intimate their requirements to the Secretary of the Reception Committee before the 15th September and send him in advance the necessary charges calculated at the rate of twelve annas per day for each person.

6. The following questions may be discussed at a General Meeting of each society, if possible, and the opinion of the general body ascertained and communicated to this office in the form appended :—

(*a*) What subjects would your society suggest for discussion at the Conference? A brief note on each of the subjects proposed should accompany the suggestion.

(*b*) Who are the delegates and visitors selected by your society?

(*c*) Does the general meeting approve of the expenditure suggested for the delegates and set apart the requisite sum?

7. A reply to this circular may kindly be sent so as to reach this office before the end of August 1913.

Sir

I have the honor to forward herewith Copies of the Correspondence between me and the Special Duty Officer, Dasara Festivities of 1913, re the accommodation of the members of the 7th Provincial Cooperative Conference.

2. As will be seen therefrom, the Special Duty Officer says that he will be able to place the Marimallappa's High Scho Building at my disposal for a period of six days from the 1st to the 6th October. Though the Conference formally closes on the 6th evening, it will be impossible for the members to vacate the building on the 6th as on the 7th and 8th. I have arranged for special informal meetings of the members of the Conference to drive home the meaning of the resolutions that may be arrived at at the Conference and to Concert practical measures of action on some of them. I Consider this part of our work quite as important as the work done at the Conference. It will, besides, be impossible to turn out the delegates and visitors for the Conference from their lodgings immediately after the Conference is over, as they go to [illegible] this season from far a

places to have the full bene

and the Exhibition. It will thus be seen
that the earliest time when the —
